

A Heart So True (One Tree Hill)

To most people at Tree Hill High, Brooke Davis has everything a teenage girl could desire - looks, popularity, and all the clothes money can buy. But she can't have the one thing she wants most - Lucas Scott. Somehow he just slipped through her fingers...And now she wants him back. But that's easier said than done. In just a few months Lucas has gone from being a quiet, bookish nobody, to the hottest boy in school...all the girls fancy him - including Brooke's best friend, Peyton. Brooke is determined not to let Lucas come between her and Peyton again. But hiding her true feelings is a lot harder than Brooke imagined, especially now that Lucas wants to rebuild his friendship with both her and Peyton...
