

## The Job Thing

Most everyone has had a horrible job--the kind that makes you want to scream. In *The Job Thing* Carol Tyler writes and draws several stories of jobs from hell. Most of the stories are reprinted from her series *Job Abuse* that appeared in *Street Music Magazine*; the last two, *Will Work for Food* and *Saved*, are new to this edition. What *The Dilbert Principle* is for the corporate, American, cubicle life, Tylers book is for the low-paying, humiliating work force.
