

Parody Lightfoot and the Staff of Chaos (The Bane of Time) (Volume 2)

Parody Lightfoot is back, and so is Anna Banana and Brian! Not that theyve been gone that long. This time they have to find the Staff of Chaos though first they have to escape another demon triad! Then they have to find Chaos. Then they have to get into Chaos. Then they have to work out what Chaos is. By which time, its all a bit chaotic. Cue a fun-filled, danger-ridden, mayhem-mushed, confusion-rife tale.
