

# Nothing in this Book Is True, But Its Exactly How Things Are

The next stage in the evolution of human consciousness is coming soon. Thanks to a successful interplanetary experiment in 1972, the human race is spinning out of its old skins and into an other-dimensional reality. At the head of this big leap in human evolution is Drunvalo Melchizedek, jester and witness-guide from the 13th dimension. Drunvalo has journeyed through the great abyss to polarity consciousness, which brings with it a new assessment of the Great Pyramids, crop circles, cattle mutilations, the invasive antics of the Gray Aliens, ascended masters, Thoth, rebirthing, and more.
