

The Happiness (R)Evolution: Your hands on, creative guide for eliciting true happiness, authentic success and a lasting sense of peace... from the inside

There is one thing that everyone wants... HAPPINESS! When you have it, everything else just falls into place: LOVE, INNER PEACE and JOY are all there waiting to be set free. But more than that, the level of happiness that you feel will affect every relationship you will ever enter. In this new, ground breaking work, you will discover why happiness is a choice that must be made on a daily basis, regardless of what is happening in your life. When you open this book you will learn: The TEN ESSENTIAL ELEMENTS that unlock the doors to happiness How to uncover the real reasons for your feelings of sadness and anxiety The effect our brain and subconscious mind has on our emotions How easy it can be to create happiness at will in a fun and creative way Over 30 CREATIVE TECHNIQUES to make your life happier INSTANTLY! If you want to have healthier relationships, find true joy, rid yourself of feelings of anxiety, or just live a happier, more fulfilling life, this book is for you. So, what are you waiting for?
