

Success is Not a Spectator Sport: How to Take Action and Achieve More

Are you ready to get in the game? We choose to be successful in business and in life the moment we decide not to settle for mediocrity - the moment we are prepared to step out of our comfort zone and take action. In this life-changing book, international keynote speaker Charles Marcus shares with you his incredible personal and professional experiences. His hard-won lessons have contributed to his remarkable transformation from a person with a severe stuttering disability for most of his life, to an award-winning sales professional. This book will help you create the game plan, shape the strategies, and find the discipline to complete the plays necessary for success. Discover how to:

- * Treat every setback as a valuable learning experience*
- * Surround yourself with positive people*
- * Set goals that work*
- * Invest in your professional development*
- * Believe in your own success*
- * Cross the finish line on your own terms
