

## Pieces of a Spiral: VOL 05

The sacred tree of being is about to expire, and when it does, it will reveal the fate of the world. If Garai and Sajo are there at that moment, they will shape destiny. Sakuya must prevent this from happening, but to penetrate the barrier that enshrouds the tree, he must remember the spell that Bishu taught him! Can he restore the tree's essential harmony before Garai plunges the world into chaos?
