Pity the Living Chapter 02: The Camera Never Lies. Having secured a job for Toshita in the office where he works, Masami is left with a dilemma: How can he keep the man he loves from finding out what a dork he truly is? Masami is a man with a mission. To fill his woefully dull Facebook page with as many fake pictures as he possibly can... Part two of Katsura & Yuramei's dark tale of obsession, hate and murder. **Featuring excerpts from The Gangster and the Samurai, Money, Bullets and Swag, and a character interview with Kanno Sakamoto.** Pity the Living When the drudgery of office life becomes too much for IT expert, Masami Shiroaki, he decides to commit suicide. But a timely opportunity to aid the career of the man he has stalked for years, ex-schoolmate Toshita Ayano, stops him in his tracks. With the beautiful Toshita a temporary yet wonderful distraction in the workplace, life finally seems to be worth living. Only one thing stands in the way of an idyllic future for Masami. Toshita's rich and married boyfriend. Masami, a virgin who's never even kissed a man, has one night of passion with Toshita only to be callously rejected the following morning. And so begins a spiral of self-pity and destruction, which ultimately ends in murder. Can Masami and Toshita find love amidst the clutches of a controlling relationship? Or will one of them become the next target of a killer's insuppressible hate.
