

## To Light the Path (Light of Loian Book 2)

Prince Jarrod and his men have been missing for months and still Merrilyn has no idea where they are hidden. Now the king of Zinder is missing, too, and his children seem to think Merrilyn's the key to finding him. Along with Aiden and Prince Justan, she travels to Zinder looking for clues in the king's journals. When a mysterious man begins whispering in her dreams, tempting her to reconsider all that she believes, she must face both her fears and her desires. Merrilyn may be a light in the darkness, but she'll have to trust Loian to light their path as they travel through foreign lands and face new enemies in their search for the missing men.
