

Insomnia Vol. 3 (Ignatz)

In the conclusion to Matt Broersmas noir triptych... Miles Anderson lives in a safe, predictable world defined by his job as an L.A. television producer, his affairs with girls from the office and the shopping trips of his beautiful wife, Elena. Then, one evening, Elena disappears. Is she off on another trip? With a man? In mortal danger? As the days pass, and the suspense mounts, Miles Andersons search for answers leads him instead deeper and deeper into an abyss of mystery, until at last hes forced to confront the unthinkable...
