

Polonia Pontificia (Regesta Pontificum Romanorum. Polonia Pontificia) (German Edition)

English summary: The history of Christianity in Poland, and thus of the first contacts with the Roman Curia as well, may be traced back to the second half of the 10th century. In 966 Duke Mieszko I was baptized, and the first missionary diocese was set up in Posen. Further dioceses were to follow in Prague and Olomouc, in addition to the many monasteries from various orders which were then established. This volume analyzes the contacts of the Polish dioceses to the papacy in light of extant documents and the historiographic record. It offers a broad basis for more extensive research by providing the complete archives and a bibliography. German description: Im Band Polonia Pontificia werden die Beziehungen des Papsttums zu den weltlichen Gewalten Polens sowie zu den Erzbischofen von Gnesen, ihren Suffraganbistumern und dem seit 1181 exemten Bistum Kammin samt den darin liegenden Klöstern und Stiften in lateinischen Regestenform aufgearbeitet. Polens Christentum und damit auch die ersten Kontakte zur Kurie gehen in die 2. Hälfte des 10. Jahrhunderts zurück. 966 liea sich Herzog Mieszko I. taufen und ein Missionsbistum konnte in Posen eingerichtet werden. Einen Durchbruch für die zukünftige Kirchenorganisation des neu in den Orbis latinus eingetretenen Landes war jedoch der berühmte Akt von Gnesen, bei dem die polnische Kirchenprovinz Gnesen mit den Suffraganen Krakau, Kolberg und Breslau gegründet wurde. In den folgenden Jahrzehnten kamen weitere Diözesen (Plock, Leslau, Lebus) sowie zahlreiche Kloster verschiedener Orden hinzu. Der Band stellt die Kontakte der polnischen Bistümer zum Papsttum im Spiegel ihres urkundlichen und historiografischen Erbes dar und bietet im Hinblick auf weitergehende Forschungen eine vollständige archivalische und bibliografische Basis.
