

# Petersons 4 Year Colleges 2000: The Best Advice, the Best Tools, the Right Guide

This highly respected source of information on colleges features fact-filled profiles of more than 2,000 colleges and universities. In this millennial edition, Dr. Robert Zemsky, director of the Institute for Research on Higher Education and author of the guides keynote article, introduces parents and guidance professionals to a new methodology for matching applicants and colleges. Based on years of research, this revolutionary approach explores the outcomes of a college education. Now, Dr. Zemsky tells how to use his innovative system. With this outstanding collegesearch classic, students and their parents can: -- Choose the right college by comparing curriculum options-- Identify important factors in the learning environment-- Access college-search indexes on CD for quick state-by-state comparisons-- Organize all college-search activities using an efficient Countdown Calendar-- Navigate the admission process and learn how to secure financial aid.
