

Bartering Skills: How To Skill Up and Be The Most Useful Person You Know

In a disaster situation, the most important thing is to be as prepared as possible at any moment. Often that means stocking up on food, water, and other supplies. But what happens when those supplies run out? What happens if the stockpile gets destroyed or raided? You need the ability to barter and trade with others to get the resources that you need. Traditionally most books are directed to learning how to barter and what items to barter. This book covers how to skill up now and become the most useful person that you know. Be the key person in your neighborhood and trade community and you have value that cannot be depleted.
