

## Tarzan Archives: The Jesse Marsh Years Volume 7

Join Tarzan, Jane, Boy, and their animal companions as they encounter new friends, old enemies, and undiscovered lands in the wilds of Africa. In addition to stories featuring favorite recurring characters such as the oddball scientist Dr. MacWhirtle, the lion-taming people of Cathne, cruel Queen La, and the Waziri warriors Tarzan meets a group of Texan cowboys out to rope lions, a filmmaker documenting African wildlife, and the marsh-dwelling people of Lutor. Always a help to his friends, whether they're man or beast, Tarzan faithfully thwarts the plans of slavers, cannibals, and poachers who would do them harm.
