

Peace In Passing : How to find peace in the passing of someone you love

The profound true story of one woman's account of the passing experience, when God Almighty entered the room to receive her mother into eternal grace. A compelling story of a mother and daughter's last days together, culminating into a supernatural experience, when the time came to make the journey into grace. At once a guide about changing the fear of death, *Peace in Passing* also provides assistance in coping with the impact of physical separation from the ones we love. Through inspiration and humor, unlike any other book on such an emotionally serious subject, *Peace in Passing* is written from Heaven as a gift to help human beings find jubilation in the midst of tribulation.
