

Purgatory: The Logic of Total Transformation

In Catholic theology, purgatory has been understood as applying to persons who are already in a state of grace or salvation. In popular thought, however, it is sometimes understood as a second chance for the unconverted. In this book, a follow-up to his earlier *Heaven: The Logic of Eternal Joy* and *Hell: The Logic of Eternal Damnation*, Walls completes his examination of the Christian theology of the afterlife with an inclusive and multi-denominational analysis of the doctrine of purgatory.
