

Golf A to Z: Everything You Need to Know to

Pop, snake, big dog, gimme, caveman, and alice are a few of the myriad terms golf has to describe its players, equipment, rules, courses, and shots. Even seasoned players have been known to scratch their heads in bewilderment when asked, for instance, how they feel about scoring by rolling off the low. In *Golf A to Z*, LPGA national education instructor Chris Burkhart defines more than 1,000 golf terms and phrases, organized into five sections that reflect the natural path a golfer takes during an entire round of play--from pro shop to tee to fairway to green to clubhouse. Writing with the clueless in mind, Burkhart provides clear, concise, jargon-free explanations that leave no doubt as to meaning and usage.
