

Year One - A Quotation A Day

This book is arranged in a very simple format. It is set up for 366 days; a quotation for every day of the year plus leap year day as appropriate. This is done so that you, the reader can look at one quotation, statement, or comment per day and be able to meditate on it. Hopefully you will be able to improve your lot in life by spending the needed time contemplating each days message. All the quotations contained here are not serious. You will find a few that are incorporated just to bring a smile to the readers face. Others are added to allow you to adapt into your vocabulary of jokes and conversational inventory. A few of the quotations will stump you or cause you to look twice when you first read them; due to the unusual way in which the statement is composed. It is hoped that these messages of hope and jocularly will enlighten you and bring some peace and joy into your life.
