

## Radical Forgiveness

A woman who has learned to forgive offenses we can hardly imagine teaches us to free ourselves from the anger and resentment that chains us to those who hurt us, including our own selves. Toni Bosco lost one son to suicide and later another son and his wife to the hands of a murderer. Her life since then has been a dramatic journey to radical forgiveness and inner peace. In *Radical Forgiveness* she shares with us what she has learned about life's most difficult, and most healing, virtue. *Radical Forgiveness* is rooted in the life of Jesus, saints, and people living today. It offers us freedom from the awful, angry, unforgiving thoughts that gnaw at our consciousness, burn us, haunt us, and won't let us go until we let them go. This wise book offers freedom and peace and a leap into gratitude!
