

Mustang Sallies: Success Secrets of Women Who Refuse to Run With the Herd

Mustangs were the original wild horses of the West: tough, agile, quick to learn-and unwilling to run with the herd. And, like the daring woman in the famous song, today's Mustang Sallies question the rules, challenge the status quo, and dare to make a little noise. Award-winning journalist Fawn Germer has written an engaging, provocative guide for women determined to charge ahead and succeed on their own terms. Based on original interviews with more than 50 world-famous trailblazers-from Hillary Clinton to Erin Brockovich-now every woman can harness the tools to becoming a Mustang Sally: - Be comfortable with discomfort - Don't sell out-compromise - Win arguments without making enemies - Manage the emotional challenges of leaving the herd behind - Create a sisterhood of support The world can slow a girl down, but the words of these wise women hold the key to inspiration, motivation, and personal achievement.
