

Life is a Test

For over forty years, Rebbetzen Esther Jungreis has been a globetrotting spokeswoman for Judaism. Whether counseling a searching soul or addressing a packed house in Madison Square Garden, her message is elegantly universal. In *Life Is A Test*, the Rebbitzens insights on faith, her soul-stirring wisdom, and her palpable love of all people saturate every page. *Life Is A Test* is really three books in one, each bearing a particular focus to help readers look for the message embedded in any difficulty. The book begins with tests of self-discovery and then examines the challenging realm of interpersonal relationships, concluding with a section on perceiving the Divine Design in the big picture of global events, as well as in ones own world. Regardless of age or experience, people of all persuasions will find meaningful substance in *Life Is A Test*. Rebbitzen Jungreis has captured so many of our deep-seated questions, and has graciously provided us with a decipherable answer key.
