

Grace at the Threshold: Reflections on Salvation, Hope and the Love of God

The Bible teaches that Jesus is the only way to salvation and heaven. Many Christians believe this means that if a person dies without having repented of their sins and accepted Christ as Lord and Savior, they will be lost forever. Others believe there may be opportunities for repentance after death. Still others contend that in the end, everyone will be saved. In *Grace at the Threshold*, author and pastor Brent David Miller explores these possibilities by providing a series of reflections on the means of salvation, the nature of the Christian hope and the relentless pursuit of a God who never gives up on his beloved. The result is an outside the box take on the possibilities of grace that will lead you into a deeper understanding of both the love of God and the necessity for a personal relationship with Jesus Christ. If you have ever wondered just how far God is willing to go to save the lost, *Grace at the Threshold* is for you.
