

Restoring the Character of a Gentleman

This book is for the men out there that want to live up to the standard that we were created with from the beginning of time. For some it may be restoration time for others it is a matter of putting into practice the traits that you already know is laying dormant. Restoring the Character of a Gentleman also serves as a guideline for women to use when setting the standard and expectations of what you want out of a man that you may consider dating or marrying. Finally this is a publication for the parents who are raising a young man, that desire to instill some great values and qualities in him, for him to remember once he is an young adult. * Men in the last 10 years or so have gotten away from respect and honor. * Gentleman qualities need to be restored for this generation and beyond. * It is my desire that each reader takes away at least one life nugget to live by.
