

Beast of Hangman Hill (Spook Squad)

In The Beast of Hangmans Hill something evil is sneaking through the woods towards the Old Tower on Hangmans Hill. Its a snard. This hairy horror is hungry for a tasty snack of beans - human beans that is! And the Spook Squad are on the menu! Roxy has a weird auntie. Her Auntie Rhee lives on Hangmans Hill in a spooky house called the Old Tower. The Old Tower looks like Dracula gave it a make-over. But Rhee isnt a vampire - she is a banshee. Shes trying to protect humans from ghouls, ghosts and long-legged beasties. But she cant do it on her own. Thats why she needs the Spook Squad. The Spook Squad are Roxy, Leena, Nita and Emma and their poltergeist, Rattle. These four girls are as bright and sparky as a fire in a fireworks factory. So, on dark and stormy nights, when the vampires are being a pain in the neck and hairy horrors are on the prowl, the Spook Squad goes into action. Spook Squad is a series of reading books for readers aged 7 - 12 with a reading age of 7 - 8. Illustrated by Peter Richardson with fantastic black and white line drawings and full of jokes, facts about the Spook Squad, maps of locations, these books are ideal for those who want a fun read. Published by Ransom Publishing, a specialist in books for struggling and reluctant readers.
