

## Romance on the Road

Romance on the Road is a blossoming love story of supermodels Leslie and Theo. In their unique double opportunity to film their first movie and supermodel photo shoots, they make passionate love as they travel the dangerous United States roads from California to Florida. Their love will survive the truck accident, right? Come take this love journey that will keep you turning the pages wanting to read more. It is the first romance novella in a series of three with a spin off book. The second book in the series is Life After, and Baby Love is the third book with the spin off as Nick? Double Whammy!
