

Marriage: Gods Rules of Engagement

Looking at the world over, it is an understatement to say that the institution of marriage is fast degenerating. The divorce rates are fast on the increase and violence between married couple is fast becoming a common occurrence rather than a absurd matter that should not be heard of. The rate at which couples are killing each other and the more than frequent occurrence of domestic violence shows that the marriage unit is under severe attack by the evil one. When the Lord designed the marriage institution at the beginning, it was with a beautiful intention that should lead to a glorious end. The marriage institution as originated by God is to bring about comfort, peace, love, warmth and togetherness between a man and his suitable help in the person of his wife provided for him by God. The marriage institution was not designed by God to be a battle field or a journey of misery and endurance. Your marriage is to be enjoyed and not endured. I was once in a miserable marriage where nothing seem to be going right between me and my husband. I contemplated divorce, but was cautioned with the realization that divorce was not Gods best answer to the problems of my marriage and so I decided to take a few steps back and seek the face of God to intervene in the misery called marriage that I was in. Then the Lord opened my heart to His own set rules of marriage. The God designed marriage that carries in it peace, love, joy, warmth, togetherness and all the beautiful things of live really do have rules to follow in order to get the best out of it. So like the fearful child of God that I am, I began to follow these rules in my marriage, These are rules that are widely spelled out in the Bible and if only we can deare to follow them we will enjoy the benefits thereof. Now my marriage is at peace. I didnt have to divorce my husband, we are very much together as husband and wife with a renewed love and joy between us.

These are the rules that are shared in this book. They are guaranteed to produce positive results for those who dare to follow them strictly and pray. Just as the Lord speaks to the woman through this book, He also speaks to the man. Now is the time to end the misery of enduring a bitter marriage. You don't have to get a divorce, just hand yourself over to God and follow the rules and you will experience the beautiful life of marriage just as God intended it to be at the beginning.
