

Secret Heart (Italian Edition)

Legati da un affetto che dura fin dall'infanzia, Kimber e Jake sanno di poter sempre contare l'uno sull'altro, malgrado i caratteri totalmente opposti. Lei è la sola a non considerare il suo migliore amico un bullo attaccabrighe, segnato da una famiglia disastrosa. Kim è una ragazza ingenua e sognatrice. Romantica fino a essere a volte irrazionale, spera di vivere una storia d'amore coinvolgente come quelle che vede nei film e per la quale è disposta a tessere innocenti intrighi. Quando conosce Dylan, giovane misterioso e che sembra molto più maturo della sua età, se ne invaghisce. Ma Dylan non è come appare. Si è trasferito a Dreamdale da Chicago, per fuggire da qualcosa. Per combattere la spietata concorrenza delle compagne di scuola, Kimber chiede a Jake di fingere di essere il suo ragazzo, per far invidia a Dylan e mostrarsi più esperta di quello che è in realtà. Kim però ignora che Jake è sempre stato innamorato di lei e non è disposto a lasciare campo libero al rivale. La ragazza verrà travolta da circostanze inaspettate che la cambieranno in modo radicale e la faranno crescere, tra segreti, bugie, gelosie e tradimenti. Capirà che è impossibile controllare il cuore, e che niente è più indimenticabile di un amore segreto. *Secret Heart* è un *new adult*, esposto con il punto di vista alternato dei due protagonisti: lottimista e spontanea Kimber, e lo scapestrato e ribelle Jake. La storia ha luogo in un paese dell'Illinois, Dreamdale, e narra di due ragazzi molto diversi ma uniti da una profonda amicizia, destinata loro malgrado, a mutare in un amore segreto. È un romance sui primi turbamenti amorosi e mette in evidenza i dubbi, le poche certezze e l'impulsività dell'adolescenza.
