

ADAM & EEV Volume 1

ADAM & EEV Volume 1 is a full color compilation book of the daily comic. The story takes place a million years ago when Big Floating Head appears in the sky to bestow God-consciousness on our iconic couple. ADAM & EEV is about relationships, spirituality, progressive politics, anachronisms, cultural & word origins, art, music and sports. Stop by the Olduvai Grill for a tasty Pop Culture Humor Burger and cheer on our furry friends as they struggle to please their exasperated Creator. ADAM & EEV blends perspective drawing, visual puns, Biblical references and a cast of thick-browed Paleolithic creatures including the evil Fruit Vendor, Super Jee, Cheetah Woodz and the Monks. Also, witness the breech birth of todays Radical Right as Brok does battle against the bombastic Flush Limbo and the hapless Krooz. Adams ribs have healed, Eev is enjoying romantic bi-pedal walks on the beach and they have spent a million years writing and perfecting their jokes. Pick up a copy today and start reading and smiling...the last thing you want to do is make Big Floating Head mad.
