

The Second Coming Of Christ: What Testimonies From The Scriptures Reveal Concerning His Return

This book has been priced low, so that anyone who is seeking the truth surrounding Christ's second coming can find it. When referring to the timing of Christ's second coming, people will often highlight the fact that no one knows the day or the hour of His return. But what does the bible say about the generation that would witness this grand event? Testimonies provided by Jesus, the apostles and the old testament prophets will reveal information that may surprise you. - Matthew 24:34 Verily I say unto you, This generation shall not pass, till all these things be fulfilled. - 1 John 2:18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time. Those are only two of the plethora of texts that we will explore in this book, to shed some light on the timing of the second coming. The bible says that no prophecy in the bible is of any private interpretation (1 Peter 1:20). So to avoid any mis-interpretations of the scriptures, the bible is used as the primary source of reference in this book. The words of non-biblical prophets and teachers are not needed to fill in any gaps; the word of God is able to stand on its own. You don't need to be a bible scholar to understand the messages that the word of God has in store for you. When you keep the prophecies in their proper context and put the word of God first, a world of understanding will be opened up to you. Allow this book to serve as your guide through the scriptures to find the truth. He's coming again, but it's not for the second time; it's for the Final Judgment. Will you be ready?
