

Secrets of Success

The presence of several elusive but priceless qualities separate those who win from the also-rans. This book identifies and defines those qualities and demonstrates how these can be applied to build a successful life, to become a winner. Blending true life stories with humor and wit, the author shows how to acquire those qualities that shape attitudes, hone specific skills to achieve excellence in the field of your choice and open previously locked doors to an exciting life of success and achievement. You have always dreamt of it, now this book will help you realize your dreams and become the person you have always wanted to be.
