

Year of the Witch

Trina Sayter is not that much different than any other teenage girl. Her list of things to do for her upcoming sophomore year at Canter High include the following: 1. Find a dress for the Spring Dance. 2. Find a date for the Spring Dance, preferably hot Jake McAlister. 3. Complete Drivers Education to get her learners permit. Oh, and let's not forget the most important one of all: 4. Fulfill her family legacy at the age of sixteen and become the next witch to guard the Council's secrets and protect the coven from a pack of shape shifters who want nothing more than to suck the powers from every living witch they encounter. Year of the Witch takes Trina through the ups and downs all teenagers go through: friends, falling in love, loss, and self-discovery plus a little bit of spell casting to keep things interesting.
