

Silver Knight (The Silver Series Book 1)

What would you do if you were a reincarnated, demon fighting warrior, and then came face to face with the demon you had loved, betrayed, and been killed by through the centuries? When seventeen-year-old Diana recognizes an elderly priest in a video on YouTube, she realizes that reincarnation is real and that she's been alive before! Every night in her dreams, she relives her past learning that it's kill or be killed. Now a bishop at the Vatican whom she saved in another life calls on her once more. She is needed to help defeat evil within the catacombs of Rome. But when she arrives in Rome, she meets Alexander the man of her dreams! Through the centuries she has loved him, betrayed him, and been killed by him. Will she give him another chance or this time will she strike first?
