

In-Visible Simplicity

There is knowledge, understanding, and spiritual illumination in this book never seen or written, ever, in the recorded commentary of biblical history. This is a phenomenon of the moment arising out of Words in Daniels book that have been closed up and sealed till the time of the end. The challenge confronting every Christian, regardless of his spiritual age or position, is in recognizing that there is much more to know about God than we know but to know more we must be willing to continually repent and change our minds when the Lord allows us to see a clearer vision of the Truth. Those who set aside every influence outside of the simple literal Words of inspired scripture receive knowledge and understanding unavailable from any other source. Theologians of every degree have never seen the thoughts and observations illuminated in the precept upon precept chapters of this book. If we allow the theologian, tradition, or the worldly church to control our mind, we will miss the blessing of simply believing the purity of the Word. God gave us a good mind and He expects us to use it to His glory by understanding the Words He wants us to hear. The In-Visible Truth is an immeasurable blessing, hidden in simplicity. Identifying doctrinal errors in the church along with seeing biblical specifics of RAPTURE carries the believer far beyond the significance of knowing when Jesus will come again. The Lord is right on time every time and it is now time that we understand many things that the He did not allow us to understand in the past. Be blessed. James Scott Rollo
