

Big Deal Vol. 2: No Honour Amongst Thieves (yaoi novel) (Volume 2)

Only the scorned have enough fury to craft the perfect Hell. The dust has settled after the disastrous bank job, so its time for the Everdirge reprobates to divide up the loot. Theres just one snag: One of the bags appears to be missing. Accusations and mistrust abound while Judas and Fergus try to figure out what happened to their money. But in the meantime, Mikhail has rather more pressing problems to deal with... Scottish chancer, Judas MacGregor, returns along with his band of no-hopers in this, the sequel to A Pack of Jokers. More violence, comedy and mayhem not to mention a healthy dose of smut in another Illustrated Yaoi prose novel from Katsura & Yuramei. This book was previously published in 2011 under the title of Big Deal Vol. 2: Lesson in Betrayal. This is an extensively reworked and re-edited version.
