

The Sky Whale

SciFi adventure for YA/10+ .Danny Peterson is on a hill-top when he hears a voice from above, pleading for help. Now some people think Danny's just a geek who's afraid of bullies, but popular new girl Alison soon realises there's much more to him than that. Facing gangs on the ground and sharks in the air, and with schoolmaster, parents and cops all trying to stop them, the pair must risk their lives to save the fabulous creature from a terrifying fate.
