

Core Love, The Genesis Anointing

Throughout time humanity has struggled to perfect marriage. As there are ever increasing attacks against marriage we seek to understand why so many Christian marriages fail. The church seems almost powerless over the tide of destruction waged against marriage. In creation God anointed a human called Adam one being yet both male and female. God anointed this couple to take His covenant power to the corners of the world. The bible speaks about how God wants us to know His covenant in; Ps 25:14 The secret of the LORD is for those who fear Him, and He will make them know His covenant. It is Gods desire for us to understand covenant and the power within it. The ultimate goal of God in creation was to anoint marriage with devil defeating power. Satan saw this and attacked the couple before they began to walk in that power. However it was not only Gods will for every marriage to walk in power, but for it to be the example of the power to the world of Christ Jesus and His bride the church. Hidden in the types and shadows of creation are four spiritual laws God empowered marriage with, to stand on in covenant and see the Glory of God manifest. Also hidden has been the understanding of the four rivers which flowed out to Eden to water the earth. These are the four levels of authority and power God put into every marriage as a type of our authority as the Bride of Christ.

Understanding our covenant and walking as the bride of Christ is what the church needs to prepare the Bride of Christ to rule with Jesus during the millennial reign of Christ. It is the Fathers desire that the bride of Christ be prepared for the soon return of Jesus. This series of book I am writing are a pathway into understanding how God intends to work through the bride during the millennial reign of Christ. This begins with a deep understanding how to walk in authority in our marriages and demonstrate the power of Christ Jesus in our homes.

This book is an in-depth study of the power God put into marriage in creation. It brings out truths from the word of God, which will change your life to walk in the power Christ Jesus intended for you to demonstrate and to make your marriage successful and walking in victory in every area. In creation God intended for humanity to have authority over all the elements of life, to walk in victory because of their covenant relationship with God. He empowered humanity with His power and deposited it into the institution of marriage. He anointed marriage with authority not only to thrive within the marriage but to take dominion over all the troubles and elements of life, which did not line up with their covenant with Father God. Everything God planted into creation is an example of the power and authority He intended for marriage and mankind to carry out throughout eternity. God's plan was not temporal, but eternal. Satan stole the power off of the institute of marriage because it is the power Christ Jesus on His bride, which will defeat him in the earth. Satan has blinded our eyes so that we have not seen the power of the bride of Christ which is to be manifested in and through our marriages, and families. It is the desire of God to restore all things before the return of Jesus, and He by covenant must restore the power He put into marriage in creation to be fulfilled through humanity. This book is about the original anointing God covenanted Himself to with humanity in marriage, The Genesis Anointing. The first anointing of mankind in the earth. It is time we prepare the bride of Christ Jesus by bringing the power of God power back into marriage so that we can demonstrate in the earth the Glory of God as the prepared bride. This book will teach you the four laws of Genesis and the four levels of authority all marriage is meant to walk in, including the marriage of the church and Jesus Christ. This book will change your life and your world!
