

Jesus . . . Author of My Life: Hope for Terminal Illness

It is a book about hope for terminal illness that comes from the power that is higher than everything. It brings people closer to God, to be able to communicate in trust with him in everything. It takes away humiliation of death that comes from terminal illness; it brings hope to those who have lost it because of troubles. It will bring healing, mend brokenness, and bring wholeness in families and it helps people to be able to give glory to God because of his mighty deeds. It teaches that praising God as our protector pleases him and he continues to pour out his favour and revelation upon us. It teaches the importance of righteousness, faith and love in humanity. God touched me, healed me, and made me whole again God extends his mercy in our lives and call us for his Kingdom, to be his vessels of his glory and honour. When we are weak, he becomes stronger. Readers will take heart and be comforted and assured about Gods love. It helps us to combat Spiritual Warfare and teaches how to put on the full armour of God. Our truthful God cares and never tires in our lives. It is all about Gods divine purpose in our lives. God is real, he moves and is aware of the struggles of this world. There is hope for terminal illness and that hope is anchored on the Cross, on the power of the blood of Jesus that purchased us. Isaiah 53:45 Surely he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him and afflicted. But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was upon him, and by his wounds we are healed
