

Socrates Meets Jesus: History's Greatest Questioner Confronts the Claims of Christ

What would happen if Socrates--yes, the Socrates of ancient Athens--suddenly showed up on the campus of a major university and enrolled in its divinity school? What would he think of human progress since his day? How would he react to our values? To our culture? And what would he think of Jesus? Peter Kreeft, Christian philosopher and longtime admirer of the historic Socrates, imagines the result. In this drama Socrates meets such fellow students as Bertha Broadmind, Thomas Keptic and Molly Mooney. Throughout, Kreeft weaves an intriguing web as he brings Socrates closer and closer to a meeting with Jesus. Here is a startling and provocative portrayal of reason in search of truth. In a new introduction to this revised edition, Kreeft also highlights the inspiration for this book and the key questions of truth and faith it addresses.
