

Soul Self: How to Tame Your Mind, Uncover Your Blueprint and Live Your Soul Purpose (Soul Self Living Book 1)

In Soul Self: How to Tame Your Mind, Uncover Your Blueprint & Live Your Purpose, spiritual teacher Jack Stephens explains, with crystal clarity, how to bring your Soul, ego-mind and body into balance and alignment, and gives wisdom seekers practical tools to make lasting change for a brighter life. Divided into three clear sections, Distinguishing Between the Ego and Soul, Finding Your True Voice, and Being Your Self: Acting On Your Souls Direction, Soul Self offers valuable insight into how to access and embody higher states of awareness, turn knowledge into wisdom, and shift from ego-driven to Soul-guided living, creating greater happiness and prosperity. Jack Stephens Soul Self engaged me with wisdom I found throughout the pages. He starts off with a wonderful and instructional analogy about a horse and its rider (as it relates to your personal journey through life). Then a few pages later you get to Pebbles: A Fable. This simple, powerful story is worth the price of admission alone. The wisdom in just these three pages will do wonders for your spiritual journey if practiced! Soul Self contains very important lessons and simple yet essential practices on what to do when you experience conflict between the ego mind and your real Self. If you're looking for guidance about your Souls Blueprint, or just need a reminder, you'll find helpful, confirming, and inspiring answers in Soul Self. ~ Ken Obermeyer, author of The Journey To Joy: Reconnecting with the Real You. Welcome to a Transformative Guide to Creating the Life Your Soul Designed. How YOU can enjoy fulfillment and purpose in: - Relationships; - Wealth; - Health and Energy; - Creativity; - Accomplishment Book Sections: Preface Part I: Distinguishing Between the Ego and Soul 1 - Are You the Rider, Or the Horse? 2 - Soul Authority 3 - A Successful Voyage 4 - Locating the Ego-mind 5 - The Soul
