

Spellbinder (Book of Ways 2)

Jack Flint, Kerry Malone and Corriwen Redthorn face the demon Morrigan in a final cataclysmic battle when they try to escape through the homeward gate. In the terrifying struggle, Corriwen is thrown out of the ring of standing stones, and into another mythic world. After the dangers and perils of ancient Temair, Eirinn seems peaceful. But as they search for Corriwen, they discover a land in turmoil under the ravages of a ruthless chieftain and his black-hearted spellbinder. To save Corriwen, they have to face a dangerous journey across a ravaged land and face inhuman dangers. But they have allies: - A troupe of travelling entertainers who are as weird as they are talented; a gentle giant and his huge hound, and finally an unbeatable warrior woman who joins them in their quest to steal the magical Harp of Tara and bring peace and harmony back to Eirinn. Beset by dangers on all sides, the three friends and Connor, a crippled orphan face everything an evil magician can conjure up to destroy them.
