

## Haunted Springfield, Illinois (Haunted America)

Springfield has launched a lot of history, from the career of Abraham Lincoln to the wagon train that bore the Donner party to their fate. While taking this tour with Garret Moffett, you will come face to face with the history that has refused to leave. Meet the Gibson Girl who turned society circles into seances during her life and the vengeful actor who held down a leading role as mischief maker after death. And maybe you should pause before you shake the hand of a Civil War reenactor at Camp Butler, just to make sure that his skin isnt as gray as his coat.
