

Planning a Wedding: 4th edition

Updated for the fourth edition, this practical guide to planning a wedding covers: getting engaged and buying the ring; wedding ceremonies and marriage vows; organizing the reception; making speeches; arranging the honeymoon; and more. It also contains advice on a variety of situations such as mixed marriages, what to do if the bride is pregnant, how to cope with divorced parents, and how to get married on a beach in the Bahamas. Helpful checklists are included.
