

Strike the Target!

The Christian life is not for sissies! Salvation through Jesus Christ assures us of two opposing encounters—a personal relationship with God who is good, and an on-going spiritual battle with forces that are evil. *Strike the Target!* contains the tools necessary for those who are looking for an answer to their problems, want to achieve liberty from curses and demonic influences, and be spiritual warriors that help others attain victory. Offering the reader a proven step-by-step method of deliverance prayer counseling, in-depth understanding of spiritual warfare and keys to living an abundant life, this manual answers both the common and complex questions. What does the Bible say about spiritual warfare, demons and deliverance? What is a curse? What does the enemy look like? How does spiritual warfare positively affect those with marriage and relationship difficulties, anger, depression, anxiety and addictions? You will benefit by improving the aim of your prayers to win back spiritual territories in your life and for the Kingdom of God. Dr. Helena Mariades is a pastoral counselor and the founder of Restoration Counseling Ministries. As a counselor to those who are wounded and searching for a deeper spiritual walk, her experience and application of spiritual warfare and deliverance are unique, exhaustive and Scripturally balanced. She holds a Bachelors of Arts degree in Pastoral Counseling, a Master of Arts degree in Christian Psychology and her doctoral studies were in Theology.
