

Stopping Words That Hurt: Positive Words in a World Gone Negative

Words Can Hurt More Than Sticks and Stones--and the Wounds Can Last a Lifetime From the evening news and our favorite television shows to friends Facebook statuses and office gossip, hardly a day goes by that we dont come into contact with negative language. The issue is not whether you can avoid hurtful words but how you will respond to them. In Stopping Words That Hurt, communication expert Dr. Michael D. Sedler offers groundbreaking, practical strategies for identifying, counteracting and responding graciously--and lovingly--to gossip, criticism and negative words. He will show you how to discern why people relay destructive gossip identify a negative conversation or hurtful language and counteract it? find freedom and reconciliation with those who have spoken harm to you speak life-giving words, even when you dont want to Our words can profoundly hurt--or heal. Silence in the face of negativity is not enough. Whether you are a parent, leader, teacher, spouse or friend, its time for building one another up--and stopping words that hurt.
