

Stories of Survival & Revenge: From Inuit Folklore

A unique combination of adventure and mythology, allowing the harshness of the folktales to remain intact and the adventurous spirit of the tales to shine through *Stories of Survival and Revenge* presents three action-packed Inuit folktales: the stories of Nuliajuk, the vengeful sea spirit; Kaugjagjuk, the mistreated orphan who seeks revenge; and the Nanurluk, an enormous polar bear 100 times the size of a regular bear; in a way that will keep teens reading while also introducing them to the world of Inuit myths. With comic book-inspired illustrations, some of which are paneled, this book presents these folktales as they were meant to be experienced, with all of the heart-pounding action and awe-inspiring creatures that Inuit mythology has to offer.
