

Dare to Enter a Distant World

While backpacking, two friends come across a mysterious stranger who doesn't seem entirely of this world. Who he is will challenge everything the two friends believe about what's real and what's fantasy. And when a disaster threatens everyone, will the young stranger prove himself to be a hero? Or something else? Ultimately, a life-and-death decision must be made, but can one young man leave everything behind to save an entire world?
