

Subterranean Worlds Inside Earth

* Is the earth hollow? * Is our planet honeycombed with caverns inhabited by a mysterious race? * Are there civilizations of super beings living beneath the surface of the earth? * Are the residents of this subsurface world friendly, or do they have our domination in mind? Here are strange and unexplainable legions of the Wee People, the Dero, and long-haired Atlantean giants as encountered by cave explorers and miners trapped far beneath the earth.
