

Sugar Pies Book of Joy: Seven Great Teachings For Happier Living

Seven great teachings for happier living. An automatic writing from the great cat sage, Sugar Pie. Sugar gives us seven teachings from his own experience for having a happy life. He covers the subjects of Love, Good Relationships, Trust, No Fear, Growing Up, Communication, and The Really Smart Stuff. Truly Great Teachings that are a real kick to read. My name is Sugar, and Im one super happy dude. My Mom is writing this book for me because I cant write ... but I know stuff... thats why she said my book should include some of the things I taught her. Just so you can see for yourself, here are two of my favorite quotes from my book: Its easy to be sweet, kind and loving if youre treated with sweetness, kindness and love. The trick to being happy and living in JOY is to go along with the really smart stuff. It knows what Its doing (thats why Its called smart).
