

## Sunshine Sketch, Vol. 1

Accepted to a high school specializing in the arts, Yuno moves into a nearby apartment complex to make her commute easier. Just a few days into her new routine, she quickly discovers that creativity doesn't end with the art school bell! Her neighbors - Sae, Hiro, and Miya - are all fellow students, and each has her own hilarious quirks. And eccentricity clearly rules this school; Yuno's homeroom teacher is a cosplay otaku and the principal is just...weird. Will the quiet Yuno be able to handle this creatively kooky cast of characters?
