

Business & Baby at Home: A Set-Up and Survival Guide for Mums

Business & Baby at Home is a lifeline for every work-from-home mom. Starting your own business can be a daunting process especially when combined with motherhood so how do you build a business, raise kids, and stay sane? Business & Baby at Home explores the joys and challenges of working from home while balancing family life, relationships and domestic duties. Packed with clever business acumen, practical ideas, and sensible advice, the book is an essential guide for those searching for balance between their personal and professional lives. Successful graphic designer and mother of three Sarah O'Bryan shares her own experiences, along with priceless revelations from other work-from-home parents. Whether you're considering this path, or are already in the thick of it, the knowledge you'll gain from this book will help you to streamline processes, effectively manage time, get the job done, and help grow your business!
